CESRA organises a summer school on solar radio astronomy in Nancy

(France), 20-24 September 2010. The web site is

<http://www.lesia.obspm.fr/cesra/summer2010/>

Local expenses of the attendants will be covered, but travel expenses are

in general expected to be supported by the home institution.

The deadline for application indicated at the web site will be extended to

end of June.
